Creative Dramatics
Student Contract and Parent Consent Form

Being involved with the Creative Dramatics Program is a very special privilege. Twenty to twenty-five children will be selected for the program. Participating students must demonstrate high interest in dramatics, positive attitudes for new experiences, a spirit of cooperation and most importantly, a high degree of responsibility for schoolwork. The children will work for about 90 minutes once a week after school for the duration of the program. Additionally, they will travel to the Public Theater approximately 3 mornings and visit our collaborating school. The children must be responsible for completing and turning in their schoolwork without the teachers having to "track them down."

The drama experience is very rewarding. These comments are not meant to discourage anyone, but just to make the expectations clear. Parent and students need to read and sign this document.

I have read and understand that I will be expected to be a respectful, responsible student if selected for the Creative Dramatics Program. I will check with my teachers and assume the responsibility for completing and turning in any work I miss.
